

Directory of Historical Records Repositories in Hawai'i

6th Edition (2022)

Compiled and revised by
Association of Hawai'i Archivists
Ad Hoc Directory Committee

Barbara Dunn

Mary Louise Haraguchi

Janel Quirante

This 6th Edition recognizes and reflects the changes to public research hours as repositories in Hawai'i pivoted their services in response to the COVID-19 pandemic. The Directory Committee reached out to the organizations listed to confirm their current public research hours as well as their website, email and telephone contact information for their remote services.

We are pleased to add six repositories to the directory in this 6th Edition and confirm the continued growth and resilience of cultural and historical memory institutions in the islands.
